Dear Dr. Sumaili,

It is my distinct pleasure to congratulate you on being awarded the *Fellow of the International Society (FISN)* designation.

You are part of the inaugural group of ISN members to receive this recognition, and we hope it will help to highlight your distinguished professional career.

The official announcement will be made during the Presidential Address at the **World Congress of Nephrology (WCN23)** 30th March-2nd April 2023 in Bangkok, Thailand.

I hope you are registered for WCN23. Awardees of the FISN will be able to receive a hard copy of their certificate at the ISN booth.

After **WCN23**, we will send a digital version of the certificate by email. Names of awardees will also be published on the dedicated **FISN webpage**. If you do not wish to have your name displayed, please contact us at info@theisn.org

We invite certified FISN to include this recognition in their professional signatures, after the official announcement.

Congratulations and welcome to the esteemed network of ISN Fellows!

Hope to see you in Bangkok for WCN23.

With best regards,

Agnes B. Fogo
President, ISN
